Re: Renee M. Butz vs.. Edward Fleming — Renee M. Butz vs. Lawns
Unlimited, LTD - Case No : 05-495 SLR

Dear Ms. Butz:

I received your notice of deposition scheduling the deposition of Mr. Fleming for November 13, 2006 in Glasgow, Delaware. I do not know if that date and time is convenient with Mr. Fleming I will let you know, Having said that, Mr. Fleming is not willing to travel to Glasgow. Please make arrangements to have the deposition taken in Sussex County If you would like to use our office, that is fine with me. I would like to take your deposition as well, It makes sense to me to do them on the same day Assuming that the 13th is alright with Mr. Fleming, are you available that afternoon?

Very truly yours,

WILSON, HALBROOK & BAYARD
